			Vendor & Contractor Management

How it Works

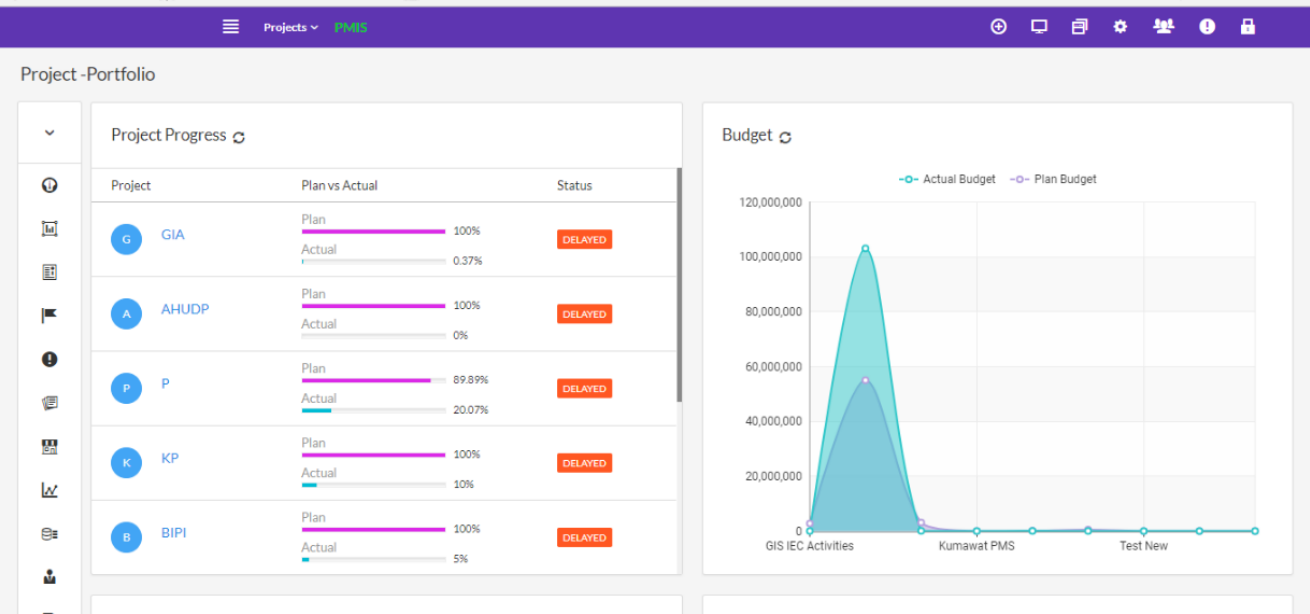

Create Project

- ✓ Divide entire project planning into task and subtask
- ✓ Define task time line for completion
 - ✓ Assign responsible users in RASCI Matrix
 - ✓ Get the task in user mobile application
 - ✓ Update daily task progress by user
 - ✓ Task Tracking and monitoring
 - ✓ Prepare action plan after tracking
 - ✓ Get escalated if work not going properly
- ✓ Create dependency when Issue occurred
- ✓ Get aware about coming slippages
